Frontiers in Nonlinear Science**

Wi-Fi connection

Using eduroam

Eduroam is an international roaming service for users in research, higher education and further education. It provides researchers, teachers, and students easy and secure network access when visiting an institution other than their own.

1. Click on *eduroam* in your Wi-Fi networks
2. Enter your institutional username and password
3. Enjoy

Using the OSAPS 2019 account

We created a guest account, which you can access by|

1. Click on *start here* in your Wi-Fi networks
2. Enter username **OSAPS2019**
3. Enter password **a7ysg8bc**
4. Enjoy

If you can't find a *start here* in your Wi-Fi networks,

1. enter *onboard.wooster.edu* into your browser
2. click on "*I need to connect my wireless device.*"
3. click on "*I have been given guest credentials and would like to connect to the Internet.*"
4. Use username and password from above
