

# WOOSTER

## Physics

## Colloquium

**Thursday, January 23<sup>rd</sup>**

**11:00AM**

**TAYLOR 111**

**Research Opportunities with CoW  
Physics Faculty**

***Laura DeGroot, Niklas Manz,  
Susan Lehman, & Cody Leary***

**The Physics Faculty at the CoW will give an exciting overview of their research, covering topics like *Galaxy Morphology, Reaction Diffusion Systems, Critical Phenomena, and Classical and Quantum Optics*. Students will get a chance to explore the diverse, experimental, computational, and theoretical projects being conducted in the department.**
